Notes to enable the correct method to complete this form

When submitting this form please tick any CL2 units you have already taken

As this form is part of the Coach Level 2 course it is assumed you will take all these CL2 units

The student has the opportunity to take the CL2 units with the BAB or scUK

Courses in your area can be found on the scUK website

You need to complete this form before applying for the Coach Level 2 course

You can not submit a application for CL2 until all the CL2 courses have been completed

Once signed by your association take a copy to record when you have completed each course

Send the original form to G Cooke

This method has to be used as the administration involved for numerous students taking differing CL2 units is too difficult for me to control effectively for each individual
